KSRTC to run electric buses on Bengaluru-Mysuru route

Charging point at Mysuru Sub-Urban Bus Stand getting ready; trial likely on Dec. 18

Mysuru, Dec. 2 (RK&BCT)- In an attempt to provide better passenger service and a sound-free travel to achieve a green milestone, the Karnataka State Road Transport Corporation (KSRTC) is all set to launch electric bus (e-bus) service on the inter-city route between Bengaluru and Mysuru.

The Bengaluru Metropolitan Transport Corporation (BMTC) is already operating a fleet of e-buses and the experiment has proved successful with passengers hailing a hassle-free travel.

Now the KSRTC wants to replicate the success across the State and the Bengaluru-Mysuru route has been considered as a priority route.

A charging point is coming up at the Sub-Urban Bus Stand near the Bengaluru bus section and the civic works are being taken up to complete the elevated platforms on which the charging points will come up. The trial run of the first bus between the two cities will likely be conducted on Dec. 18. One more charging station is coming up at Majestic (Rural Section) Bus Station in Bengaluru. The KSRTC has already struck a deal with Hyderabad-based Olectra Greentech Ltd., which is expected to deliver a prototype e-bus by Dec. 15. By the end of the month, KSRTC expects to take delivery of 25 e-buses. Another 25 are expected by end-February, KSRTC Managing Director V. Anbu Kumar told reporters in Bengaluru.

While the 150-km Bengaluru-Mysuru route will be a priority, the first stage e-bus operations are being planned to destinations like Virajpet, Madikeri, Chikkamagaluru, Hassan, Tumakuru, Chitradurga, Davanagere and Belagavi.

Survey favours Mysuru route

According to sources, as per a survey commissioned by the KSRTC, the potential for the Bengaluru-Mysuru route is high and the passengers will prefer a sound-free zero fuel operation.

Now that the 10-lane expressway between the two cities is nearing completion, many who participated in the survey have opined that they would prefer electric buses to any other modes of travel.

(See KSRTC on page 6)

Brightness after dusk finally on Ring Road

Mysuru, Dec. 2 (RK,GA&BCT)- Streetlights on one portion of the Outer Ring Road (ORR) became functional last evening and the brightness spread by the LED lights provided relief to the commuters and residents who had to bear with perpetual darkness till now.

Over 50 percent of the lights were switched on by Mysuru-Kodagu MP Pratap Simha and Narasimharaja MLA Tanveer Sait. The remaining lights will be switched on by Dec. 10 and by the end of December, the entire 42.5-km stretch will glow bright with additional 20 high-mast lights with surrounding LED bulbs.

(See RING ROAD on page 6)

Fast track counter opens at District Hospital

Mysuru, Dec. 2 (RK&DM)- A day after a fast track counter was opened on Wednesday at T. Narasipur Hospital (the first one in General Hospitals of the district coming under the State Health Department), the second one opened at the District Hospital at Metagalli on KRS road in city on Thursday.

District Health Officer (DHO) Dr. K.H. Prasad inaugurated the facility in city.

In order to put an end to long queues of patients at Government Hospitals, the State Health Department has come up with fast track counters, which facilitates the patients to scan QR code for getting OPD (Out Patient Department) registration tokens to consult doctors.

(See COUNTER on page 6)

March 21: Hindi
March 23: English
March 25: Political Science, Statistics
March 27: Optional Kannada, Accountancy, Geology, Home Science
March 29: Sociology, Electronics, Computer Science.

EDITOR'S BOTTOMLINE

What's empathy? Empathy is: 'You and me are no different/ Each soul is me, each man's my friend.' This sublime sense of interconnectivity is possible when the heart is mellowed with love and elevated with empathy; when everything's your reflection and vice versa. So, be an empathiser because empathy exceeds mere sympathy. While sympathy helps one relate to another person, empathy dissolves that 'otherness'.

It's empathy that will enable humans to go beyond the self and merge in the sufferings of each and every individual. Much have we sparred over petty things like nation, colour, religion and sects. It's, therefore, time to allow empathy to permeate and suffuse mankind with a sense of Oneness.

A human being is part of the whole, called by us 'the universe'. We need to widen our circle of compassion to embrace all living creatures and the whole of nature in its beauty, pity and piety. The grief of every individual can be universalised through empathy because the universality of emotions lies in one and only emotion: empathy. Empathy is enlightened self-interest. To quote Roman poet Horace, "When your neighbour's wall is burning, it becomes your business." It's an all-embracing human spirit. We need empathy to evolve collectively. Empathy will help restore the estranged co-existence of yore. — *Sumit Paul in The Times of India*

NEWS SPARKLERS

This expensive drug costs $3.5 million a dose

New York: Hemgenix, a single-dose cure for a form of the blood-clotting disorder hemophilia, recently set a new world record for the most expensive drug ever at a whopping 3.5 million dollars per dose.

The US Food and Drug Administration approved Hemgenix, a cutting-edge gene therapy designed to treat adults with hemophilia B, a serious genetic disorder in which people do not produce a critical protein needed to clot blood in case of bleeding. Until now, typical treatments required routine injections to maintain sufficient levels of the missing protein in patients, but thanks to Hemgenix, sufferers of hemophilia B require a single IV infusion to be cured forever. The only problem is that that single dose costs no less than 3.5 million dollars, making Hemgenix the most expensive drug ever.

250 dancers break record in South Africa

Soweto: A group of 250 dancers broke a Guinness World Record for the largest amapiano dance in South Africa.

The attempt, which was filmed for e.tv series Stumbo Record Breakers, was led by actress and singer Bontle Modiselle, musician Alfa Kat and World of Dance coordinator Quintus Jansen at the Hector Peterson Memorial in Soweto.

The trio led the dancers in a routine set to Alfa Kat's song "Shaya Lento."

"For the purposes of this record, amapiano is a dance style relating to the amapiano style of house music that originated in South Africa. The dance style features quick-step moves and body popping," Guinness World Records said on its website.

A Guinness World Records adjudicator was present at the event and issued a certificate to the organisers.

VOICE OF THE READER

Install signal post near AIISH

Sir,

Most of the vehicles on the road running between AIISH (All India Institute of Speech and Hearing) signal and Manasagangothri Gate move at a very high speed and it is very difficult and also dangerous to take a right turn towards Maruthi temple road (near JSS boys hostel).

Hence, we the citizens request the Traffic Police Department to install a signal post or a barricade to stop or slowdown speeding vehicles and avoid accidents.

Puthari festival at Kodava Samaja on Dec. 7

Mysuru, Dec. 2- The Management of Kodava Samaja, Mysuru, has decided to celebrate *Puthari Namme-2022* at the Samaja premises in Vijayanagar on Dec. 7. In the previous years, the harvest festival used to be celebrated at Sree Cauvery School premises in Kuvempunagar.

This year's celebrations will commence at 6 pm in the Samaja premises. All traditional dances of Kodavas will be performed during *Puthari Namme*. *Kadh* (paddy sheaf) will be distributed by Samaja volunteers to all those present. *Thambutt prasada* distribution is cancelled.

As a prelude to *Puthari Namme*, a five-day *Eedu* has been arranged from Dec.1 to 5 in the Samaja premises from 6 pm onwards where all cultural dances will be performed, according to a press release from Mukkatira B. Jeevan, Hon. Secretary of the Samaja.

Brightness after dusk finally on Ring Road

(Continued from page 3)

Till now, the entire Ring Road was a haven for criminals who used darkness to their advantage and used to target commuters who returned to their homes from far away destinations during the middle of the night.

So much was the fear that even taxis and autorickshaws refused to drop passengers to the areas along the Ring Road after 10 pm. Two-wheeler riders had to travel on the stretch fearing for their life and safety.

A majority of the crimes including waylaying of commuters used to take place on the Ring Road and the dark stretch was an easy getaway for criminals to reach the city outskirts without any hassles, leaving no trace.

Many vacant places along the dark stretch had become a favourite place for miscreants to indulge in illegal activities including alcohol and drug abuse. Adding to the menace is the mushrooming of wine stores along the road where people sit inside their vehicles and throw out bottles after consuming liquor.

MP Pratap Simha, MLA Tanveer Sait, MCC Commissioner G. Lakshmikantha Reddy, MCC Superintending Engineer Mahesh and others during inauguration of Ring Road street-lights.

Expressing happiness over the LED lighting system, MLA Tanveer Sait said that there was a desperate need to illuminate the entire stretch. "The stretch was prone to electric wire thefts and till now, the lighting system could not be implemented fully. A majority of people who come from Bengaluru use this road to reach their homes and the road connects many life-saving hospitals. Now, a part of the project is completed and very soon, people can travel safely here," he said.

Fast track counter opens

(Continued from page 3)

According to DHO Dr. Prasad, this counter has now been established at the District Hospital on KRS road, while such ones have already been set up at K.R. Hospital, Cheluvamba Hospital and PKTB Sanatorium of MMC&RI.

The fast track counters have been set up at the OPD Block of the respective Hospitals with 'Scan and Share' feature under Ayushman Bharat Digital Mission (ABDM). This will largely help in preventing long queues at the OPD counters.

Following the launch, the District Hospital and K.R. Hospital have got two such counters each while Cheluvamba Hospital has one counter at present.

Pointing out that hundreds of patients visit the OPDs at these Hospitals every day, the DHO said that patients having smartphones and Aadhaar card can use them to scan QR code and get registration tokens. The facility will hugely help in faster OPD registration by skipping long queue, he added.

District Hospital Resident Medical Officer (RMO) Dr. Nayaz Pasha was present during the launch of the fast track counter.

According to K.R. Hospital RMO Dr. Rajesh, for using this facility, an OPD patient has to undergo four steps: Step 1 - Scan the code, Step 2 - Install the PHR App, Step 3 - Share his/her profile and Step 4 - Get OP slip.

A display board on the registration process through App has been set up near all the fast track counters, he added.

KSRTC to run electric buses on Bengaluru-Mysuru route

(Continued from page 3)

KSRTC Mysuru Division Deputy Commissioner Ashok Kumar told *Star of Mysore* this morning that as per the directions from the higher officers, the e-bus project will soon see the light of the day. "Though there is no official communication about the launch date, works are being taken up on priority. Charging points are coming up at various destinations so that the buses can proceed after charging fully," he said.

Passenger safety

The vehicles are installed with tracking units, CCTV and additional measures for passenger safety. They are all equipped with modular batteries with an aim to enable a higher range of kilometres and each bus has 52 Airavata-like seats for comfortable travel.

Apart from procuring e-buses, the KSRTC plans to introduce up to 20 buses with European design and will add 20 BS-6 multi-axle sleeper buses built on the next-generation Volvo 9600 platform to its fleet. One of the longest buses is the 15-metre-long sleeper coach which will contain 40 berths. The European-style bus will offer individual USB charging stations, individual AC louvres and reading lights in addition to space and comfort.

Suggest brand names, win cash prize

Meanwhile, the KSRTC has invited citizens to suggest brand names with taglines and graphics for BS VI- 9600 Volvo Multiple Axle Sleeper and Olectra Electric Bus.

The Corporation has announced on social media that the best entries will be rewarded with cash prizes. While the best brand name with its tagline will win a cash prize of Rs. 10,000, the best graphics will win a cash prize of Rs. 25,000 for each bus. Citizens can send their brand ideas by email to: *cpro@ksrtc.org.* Last date for submission is Dec. 5, 2022.

Coveted Fellowship for Prof. K.S. Rangappa

Mysuru, Dec. 2 (MTY&BCT)- Former Vice-Chancellor of University of Mysore (UoM) Prof. K.S. Rangappa has received the Fellowship of The World Academy of Sciences (TWAS). The Academy has elected him as a Fellow based on his scientific achievements.

Addressing a press conference at Vijnana Bhavan in Mansagangothri this morning, Prof. Rangappa said that he was the only person who has been elected from India in 2022 and he is the first person to achieve this distinction from the Universities of Karnataka. He has published over 550 international papers and holds 11 patents and among them, two have been commercialised, he said.

The World Academy of Sciences for the advancement of Science in developing countries, known worldwide by its acronym, TWAS, supports sustainable prosperity through research, education, policy and diplomacy. TWAS is a programme unit of the United Nations Educational Scientific and Cultural Organisation (UNESCO) and is based in Trieste, Italy.

TWAS was founded in 1983 by

Prof. K.S. Rangappa

a distinguished group of scientists from the developing world, under the leadership of Abdus Salam, the Pakistani Physicist and Nobel Laureate. They shared a belief that developing nations, by building strength in science and engineering, could build the knowledge and skill to address such challenges as hunger, disease and poverty.

Today, TWAS has 1,296 elected Fellows — some of the world's most accomplished scientists and engineers — representing more than 100 countries, 11 of them are Nobel Laureates. About 84 percent come from developing nations and the rest are scientists from the developed world whose work has had a significant impact in the South.

Five Officers from Mysuru among 71 promoted in State

Mysuru, Dec.2- The State Government has promoted a total of 71 Officers, including five from Mysuru, serving in various Departments of the State.

Nischay, who was serving as Office Assistant at Mysuru Deputy Commissioner's Office has been promoted and posted as the Registrar of Karnataka Appellate Tribunal at Bengaluru.

Mysuru Urban Development Authority (MUDA) Tahsildar K.Johnson has been posted as the Chief Administrative Officer of Mandya Institute of Medical Sciences at Mandya, while J. Mahesh, who was awaiting posting, has been posted as Assistant Administrative Officer of CADA (Cauvery) Office at Mysuru.

Former Mysuru Taluk Tahsildar K.R. Rakshith, who was awaiting posting, as MMC&RI, Mysuru Chief Administrative Officer and MUDA Tahsildar R. Manjunath as the Chief Administrative Officer of Chamarajanagar Institute of Medical Sciences and Research at Chamarajanagar.

AGM of Mysore Literary Association on Dec. 4

Mysuru, Dec.2-The 6th Annual General Body Meeting (AGM) of Mysore Literary Association for 2021-2022 will be held on Sunday (Dec. 4) at 11 am at Rotary Mysore West Auditorium, Kamakshi Hospital Road, Saraswathipuram.

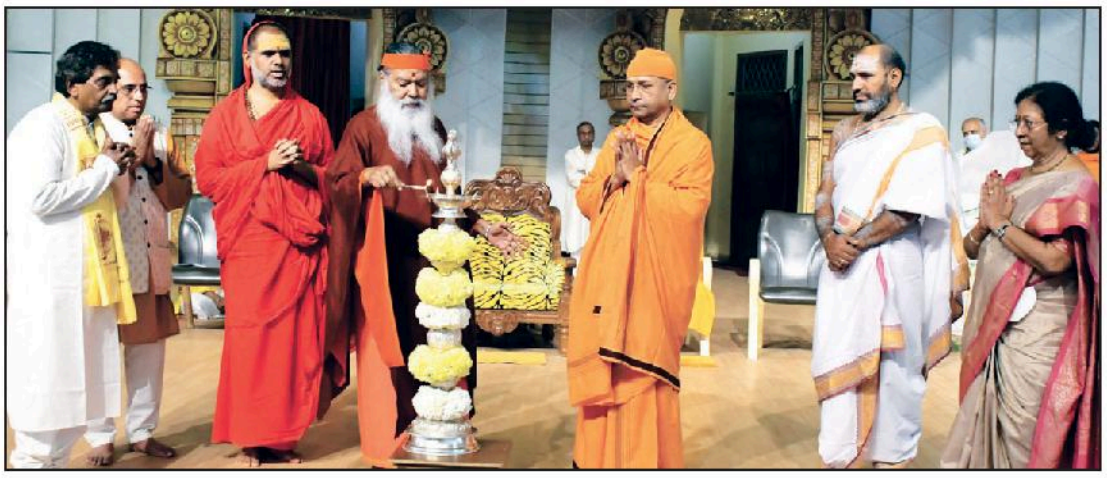
All members of the Association are requested to attend the AGM, according to Reginald Wesley, Hon. Secretary, Mysore Literary Association (Mob: 99806-56631).

Two-day cricket tourney for Ursu community people

Mysuru, Dec. 2 (SSM) - Ursu Yuvajana Vedike, Mysuru, has organised a two-day cricket tournament for community people at University of Mysore Sports Pavilion on Dec. 3 and 4 at 8 am.

Members of the Vedike, office-bearers of Ursu Mandali Sangha and Ursu Mandali Sahakara Sangha and community members may take part. For details, call Vedike President M.A. Srikanth Raje Urs on Mob: 98456-07688 or Hon. Secretary Shashank S. Urs on Mob: 99723-39129, according to a press release.

Sri Ganapathy Swamiji inaugurates Global Gita Conference at Ashram



Sri Ganapathy Sachchidananda Swamiji seen lighting the lamp to inaugurate 18th Global Gita Conference organised by International Gita Foundation Trust, Bengaluru and Avadootha Datta Peetham, Mysuru, at Nada Mantapa in Ashram premises here this morning as Junior Pontiff Sri Datta Vijayananda Teertha Swamiji, Sri Japananda Swami, Kuppa Viswanatha Sharma, Dr. C.N. Gupta, Raghavan and Justice Manjula Chellur look on.

Mysuru, Dec. 2 (RKB&DM)- Stressing on the need for having control over 'Jnanendriyas' (the five lower sense organs referred to as ears, eyes, nose, tongue and skin) as they often go out of our control, Sri Ganapathy Sachchidananda Swamiji of Sri Avadhoota Datta Peetham, Mysuru, said that we should shun our egos for having a better living filled with societal purpose.

He was delivering the benedictory address after inaugurating the day-long 18th Global Gita Conference organised by International Gita Foundation Trust, Bengaluru, in association with Avadhoota Datta Peetham, at Nada Mantapa auditorium in Sri Ganapathy Sachchidananda Ashram on Nanjangud Road here this morning.

Observing that humans are guided by the almighty in their duties and responsibilities, Sachchidananda Swamiji emphasised on the need for educating the people on the messages sent out in the great epic Bhagavad Gita. Explaining the salient features of Bhagavad Gita, which chiefly features 'Geethopadesha,' where Lord Krishna advises Arjuna, he said that however, reading the epic has also resulted in the creation of some confusions in the minds of people. The Global Gita Conference is being held with an objective of making the population understand the concepts of Bhagavad Gita in a simple language, he added.

Pavagada Ramakrishna Ashrama Seer Sri Japananda Swami, who delivered a discourse, said that people have great respect for Bhagavad Gita. Stressing on the need for everyone to understand the thoughts advocated in the epic, he bemoaned the tendency of the people to perform puja to Bhagavad Gita and later keep it in the shelf in their homes, without bothering much to read and understand it in full.

He quoted an example where a Guru questioned his audience on how many people had read the Bhagavad Gita. While all the people raised their hands when questioned about reading of the 16th, 17th and 18th chapters of the epic, the Guru in order to test reality, questioned the audience on who have read the 19th chapter. Soon, all the audience blindly raised their hands. The Guru, who went into laughter, said that Baghavad Gita does not have the 19th chapter at all, which shows how hollow was the claims of the people on having read the epic.

Reiterating the need for understanding the epic especially when the world is facing a crisis on many fronts, Japananda Swamiji said that teachers should make efforts to teach Bhagavad Gita to students as an effort to make them better and responsible citizens in the future. Highlighting the salient features of the 18th chapter of Bhagavad Gita, he said that everyone should have a pure soul and genuine devotion.

Earlier, Dr. C.N. Gupta, Co-Chairperson of the Conference, welcomed and delivered the introductory address.

A slide show featuring details of all the 17 previous Global Gita conferences was screened and the guests were felicitated.

Former Bombay High Court Chief Justice Manjula Chellur, Vidwan Dr. S. Ranganath of Bengaluru, Kuppa Viswanatha Sharma of Tirupati, K.G. Raghavan, a senior advocate of Bengaluru and others were present. The conference features discourses, recitation of 18th chapter shlokas, lectures and cultural programmes.

Entries invited for 'Yuva Sangha Award'

Mysuru, Dec.2- The Nehru Yuva Kendra has invited entries from Youth Associations (both boys and girls) and women's groups actively engaged in the fields of environment protection, rural hygiene, health and family welfare, sports and cultural activities etc., for presenting District-level 'Yuva Sangha Award'.

Nexus Malls appoints

Amitabh Bachchan as Brand Ambassador

To provide customers 'Har Din Kuch Naya' experience

Mysuru, Dec. 2- Nexus Malls, the retail platform in India owned and managed by Blackstone Real Estate funds, has announced Amitabh Bachchan as their 'Happyness Ambassador'.

This is a unique, one-of-a-kind partnership with India's biggest global superstar to provide customers with a 'Har Din Kuch Naya' experience.

Amitabh Bachchan is one of the most iconic celebrities in India, who is an all-time favourite across different age groups. He is a household name renowned for his award-winning acting career and charitable efforts.

"We are extremely privileged to welcome Amitabh Bachchan to our Nexus Malls family. He has a remarkable ability to connect with different age groups," said Dalip Sehgal, CEO, Nexus Malls.

"I am delighted to endorse Nexus Malls. Together, we will try and further aim at curating new experiences for the customers each time they visit Nexus Malls," said Amitabh Bachchan.

Since its inception in 2016, Nexus has become India's largest retail platform with 17 properties across 13 cities. In June 2022, Nexus Malls unveiled a new brand identity, which represents joy, excitement, freshness, life, and magic – and most importantly, happyness.

Nexus Malls today operates across 17 major malls in the country spread across 13 cities which include Mysuru, Bengaluru, Mangaluru, Hyderabad, Mumbai, Pune, Amritsar, Chandigarh, Ahmedabad, Bhubaneswar, Indore and Udaipur.

Girl student killed by leopard

PCCF issues shoot at sight order; shooter from Kodagu being summoned for the task

T. Narasipur, Dec. 2- Even as the death of a youth in a leopard attack incident at M.L. Hundi village last month is still fresh in the minds of the villagers, a girl student was killed when a leopard attacked her at S. Kebbehundi village in the taluk yesterday.

Meghana

The deceased student is Meghana (22), daughter of Ramesh Nayaka of the village, who was pursuing her education at the Government Women's College in T. Narasipur. Meghana, who had sustained serious injuries in the leopard attack, was admitted to T. Narasipur Government Hospital, where she succumbed to injuries.

Meanwhile, villagers have expressed their anger on the Forest Department and the Taluk Administration.

They said that last month a youth was killed by a leopard and now a girl student has been killed. "Though leopard attacks were taking place frequently across the taluk, the Forest Department and the Taluk Administration officials were doing nothing to solve the problems," they said and staged a protest in front of the hospital.

MLA Ashwin Kumar, who arrived at the hospital, collected information from the villagers and consoled the family members of Meghana. He then sat on a dharna among the protesting villagers and demanded the District Minister, Deputy Commissioner and Forest officials to visit the spot.

Dy.SP Govindaraju, Sub-Inspector Tirumallesh, Dr. Bharathi, Dr. Revanna and others were present.

Meanwhile, Deputy Conservator of Forests (DCF) Kamala Karikalan and Conservator of Forests (CF) Dr. Malathi Priya, who arrived at the protest spot yesterday night, held discussions with them. Kamala Karikalan said that T. Narasipur Range Forest Officer (RFO) would be sent on compulsory leave and a department enquiry will be initiated against him.

She further said that teams comprising 15 experts will be formed to capture the leopard and added that the leopard would be shot dead if necessary.

Stating that a compensation of Rs. 7.5 lakh will be given to the deceased girl's family, Kamala Karikalan handed over a cheque for Rs. 5 lakh at the spot and the remaining was paid after the post-mortem.

CF Dr. Malathi Priya said that the Forest Department would provide a job to one person from the deceased Meghana family on contract basis and added that permission has been obtained to shoot the leopard dead. It is learnt that the Principal Chief Conservator of Forests (PCCF) has given the shootout order for which expert shooter from Kodagu is being summoned for the task.

Statistics of leopards captured

According to the statistics from the Forest Department, 15 leopards were captured in Mysuru Division in 2020-21, 24 in 2021-22 and 14 leopards have been captured in 2022 till date.

In Hunsur Division, six leopards were captured in 2020-21 and three in 2022 till date.

In Mandya Division, seven leopards were captured in 2022 till date.

Mysterious death of KREDL Officer

Child Welfare Committee counsels deceased officer's son at hospital

Mysuru, Dec. 2 (RK&KS)- Saraswathipuram Police, who are investigating the death of Karnataka Renewable Energy Development Limited (KREDL) Officer D.K. Dinesh Kumar (50), who had died under mysterious circumstances at his residence near Nirmithi Kendra in Bogadi 2nd Stage here recently, have sought the help from the members of the District Child Welfare Committee (CWC), who held counselling with the deceased officer's younger son at the private hospital.

Dinesh Kumar

The deceased officer's younger son and wife have been admitted to a private hospital in city ever since the incident came to light.

In their statements given to the Police, deceased Dinesh's son and wife had stated that all the three had their dinner on Sunday (Nov. 27) night and slept. When she and her son got up the next morning, they found Dinesh in an unconscious state and they too fell unconscious.

The workers at Dinesh's house shifted Dinesh to a private hospital, where the doctors declared him dead and the body was later shifted to MMC&RI mortuary for post-mortem.

But the doctors who examined the body of Dinesh, opined that the death may have taken place about one-and-a-half days ago as the body was bloated, blood had oozed out from the mouth and was decomposing.

Saraswathipuram Police, in a bid to know the real facts sought counselling of Dinesh's younger son with the help of CWC members and accordingly, the CWC members held counselling with the boy at the private hospital yesterday, but the boy stuck to the statement he had given to the Police on the first day.

Meanwhile, the Police have sought the help from Psychiatrists of K.R. Hospital, who will counsel Dinesh's wife at the private hospital today.

Meanwhile, the Police are awaiting post-mortem and Forensic Science Laboratory (FSL) reports. It is learnt that the reports would take two more days to reach the Police.

The Police will decide their future course of action only after receiving the FSL and post-mortem reports.

Organs of brain dead youth donated

Police create Green Corridor to transport organs to Bengaluru

Mysuru, Dec. 2 (RK&KS)- The organs of a 21-year-old youth, who had sustained serious injuries in a road accident and declared brain dead by the doctors at JSS Hospital in city, has been donated by the family members of the deceased youth, thus displaying their humanitarian concern.

S.A. Sachin

S.A. Sachin, a resident of Singapura village in Pandavapura taluk, who had sustained serious injuries in a road accident on Nov. 28 was admitted to JSS Hospital here with brain haemorrhage. The doctors, who examined Sachin, informed his family members that he would not survive for long. The doctors, who counselled the family members, told them about organ donation, following which the family members gave their consent.

On Nov. 29, the doctors declared Sachin as brain dead and later harvested his (Sachin) heart, corneas, kidneys and liver and transported the heart to Vydehi Hospital, one kidney and liver to BGS Global Hospital and two corneas to Lions Hospital, all in Bengaluru to be transplanted to needy waiting patients.

City Traffic Police created Green Corridor from JSS Hospital up to Manipal Hospital junction via M.G. Road, Bannur Road, Deve Gowda Circle and Ring Road, which helped the vehicle carrying the organs pass smoothly without facing any traffic issues.

Meanwhile, the doctors and management of JSS Hospital thanked the family members of Sachin for their humanitarian gesture.

Family feud: Nurse poisons her 3 children, ends life

Maddur, Dec. 2- A nurse, depressed over frequent feuds, committed suicide along with her three children by feeding them poison and later hanging self at Holebeedhi in Maddur yesterday.

The deceased have been identified as Usma Kausar (30), a nurse at a private nursing home in Maddur, her children Harris (7), Alisa (4) and Anum Fathima (2). Usma's husband Aqueel Ahmed is a car mechanic at Channapatna and it is alleged that there were issues between the couple since one-and-a-half years.

Depressed over frequent fights between the couple, Usma fed poison to her children, when she and the kids were alone in the house and after confirming that the children were dead, she hanged herself in the house, it is learnt.

The incident came to light when the family members returned home in the night. Maddur Police, who rushed to the house, conducted mahazar, registered a case, shifted the bodies to the Government Hospital mortuary and are investigating.

No scope for Uniform Civil Code in Constitution: Former PM Deve Gowda

Offers 'Tulabhara' at Nanjangud temple

Mysuru, Dec. 2 (MTY&DM)- Maintaining that there is no scope for implementation of Uniform Civil Code (UCC) in the Constitution, JD(S) Supremo and former Prime Minister H.D. Deve Gowda said that he does not know what BJP would gain by introducing UCC.

Speaking to press persons at the Government Guest House here on Thursday, Deve Gowda said there is no doubt that the UCC would face severe opposition if it were to be introduced by the BJP Government. Observing that we should follow the Constitution, the former PM said that he was personally opposed to UCC.

Expressing disappointment over Prime Minister Modi's failure to solve the Mekedatu drinking water project tussle between Karnataka and Tamil Nadu, he accused the BJP of having an understanding with opposition AIADMK in TN, in order to gain political mileage for 2024 Lok Sabha polls. He said that he would raise the Mekedatu issue during the next Parliament session.

To tour entire State

Commenting on his political activities, the former PM said that he would start campaigning for the party from next month. Noting that he would tour the entire State in the coming days to galvanise the party workers, he said that H.D. Kumaraswamy's *Pancharatna Yatra* was drawing huge crowds at all places.

Stating that the party would not be scared by the financial clout or threats of Hassan BJP MLA Preetham Gowda, the JD(S) supremo said that his party has a long list of candidates to take on Preetham.

Earlier in the day, Deve Gowda along with his wife Chennamma visited Srikanteshwara temple at Nanjangud and offered prayers to the deity. The former PM also offered 'Tulabhara Seva' (of rice and jaggery) to the presiding deity.

Speaking to presspersons at Nanjangud, Deve Gowda said he had visited the famed temple to fulfil 'harake', which he had vowed earlier praying for his health.

He declared that former MLA Chikkanna would contest on the party ticket from H.D. Kote and Belawadi Shivakumar from Nanjangud in the forthcoming Assembly polls.

MLAs S.R. Mahesh, G.T. Devegowda and M. Ashwinkumar, MLC C.N. Manjegowda, Mysuru District JD(S) President Narasimhaswamy and others were present.

'URJAVARAN-2022' tomorrow

Mysuru, Dec. 2- URJAVARAN- 2022, one-day conference of Indian Society of Heating, Refrigerating and Air-conditioning Engineers (ISHRAE) will be held on Dec. 3 at Hotel Le Ruchi in city.

Addressing a press meet at Patrakarthara Bhavan yesterday, Anil Kumar Nadiger, President, ISHRAE Mysore Chapter, said a technical seminar, product presentation, panel discussion and peer to peer meeting have been scheduled in this conference with the theme 'Energy, Environment and Sustainability'.

The delegates for this conference are doctors, hoteliers, builders and promoters, architects and engineers, professionals, HVAC contractors, management professionals, maintenance engineers, project engineers, system designers and so on.

Dr. S.A. Mohan Krishna, President-Elect, ISHRAE Mysore Chapter said, G.K. Balakrishnan, Managing Director, Geekay Enterprises, will be the chief guest at the inaugural function tomorrow at 9.30 am. Vishnu Ranga, Director, Rangsons, Mysuru, will be the guest of honour.

At the valedictory, B.G. Naresh Kumar, Principal, Maharaja Institute of Technology, Dr Rohini Nagapadma, Principal, National Institute of Engineering (NIE), Mysuru and Heads of the Departments of various engineering colleges, will be the guests of honour.

Prof. G.D. Chetana, Secretary, ISHRAE Mysore Chapter, T.A. Prabhakar, Programme Chair, ISHRAE Mysore Chapter, K. B. Bhasker, Treasurer, ISHRAE Mysore Chapter and many other members will be present.

D.S. Ramakrishna Rao, MD, Desirazu Associates; Dr. B. Sadashive Gowda, Principal, Vidyavardhaka College of Engineering; Dharmendra, Managing Director, C5 Climate Storage and O. Satyendra Devarakonde, Vice-President, Operations, VST Tillers & Tractors, will deliver technical talks on Energy, Environment and Sustainability.

Panel Discussion has been arranged wherein five panelists — T. A. Prabhakar, A. Srinivas, Narasimha Nagabhushan, Rehman Sheriff and S.L. Manjunatha will participate. In addition, video and product presentations have been scheduled. For details contact, Anil Kumar Nadiger on Mob: 94498-37309 or Dr. S. A. Mohan Krishna on 96323-76757.

BJP raising Uniform Civil Code issue to divert corruption, alleges Congress leader Ugrappa

Mysuru, Dec. 2 (PM&DM) - Accusing the BJP of raising Uniform Civil Code (UCC) issue in order to divert public attention from rampant corruption and maladministration, senior Congress leader and KPCC Vice-President V.S. Ugrappa said that the BJP should implement the UCC through Parliamentary discussion if it has any commitment to democracy.

Addressing a press meet at Congress Bhavan here on Wednesday, Ugrappa, who is also a former MP, alleged that the BJP was raising the Civil Code issue at a time when the Assembly polls are just a few months away.

Alleging rampant corruption even in the conduct of exams, Ugrappa maintained that there was mass copying during the just held Nursing exams in the State, in which at least Rs. 25 lakh was paid to those in-charge of each of the exam centres. However, following mass copying and corruption charges, the exams were annulled, he added.

Stating that a People Representatives Court has ordered registration of a case against Health Minister Dr. K. Sudhakar, Ugrappa said that there are serious charges against Ministers B. Sriramulu and Anand Singh too.

Asserting that the BJP will face defeat in the forthcoming Assembly polls, he maintained that the BJP would also taste defeat in the 2024 Lok Sabha elections.

'Congress practising real Hindutva'

Coming down heavily on the RSS, Ugrappa alleged that the RSS and the BJP were the real anti-Hindu organisations. Accusing the BJP of practicing bogus Hinduism, he asserted that it is the Congress which is practising real Hindutva and not the BJP.

City Congress President R. Murthy, District President Dr. B.J. Vijaykumar, leaders Bhaskar Gowda, Hunsur Basavanna, K. Mahesh and others were present at the press meet.

WORD OF THE DAY

Leonine

Pronunciation: LEE-uh-nyne.
Meaning: Of, relating to, or resembling a lion.
Origin: Most people or characters described as leonine aren't cowardly (with one famous exception, of course), but rather noble, strong, regal or possessed of similarly positive virtues associated with pride-forming big cats. Leonine clawed its way into the English language from Latin word leo ("lion"), which in turn comes from Greek word leōn. Today, we have an interesting range of words that relate back to leōn: leopard (leōn + pardos, a Greek word for a panther-like animal); chameleon (leōn + the Greek chamai, meaning "on the ground"); and the names Leo, Leon, and Leonard. But dancer's and gymnast's leotard is not named for its wearer's cat-like movements. Rather, it was simply named after its inventor, Jules Léotard, a 19th-century French aerial gymnast.

THE ODD WORD

Lampadedromy

Torch-race.

PHRASE OF THE DAY

Lame duck

Meaning: A person or thing that isn't properly able to function, especially one that was previously proficient.
Origin: The description of 'lame duck' is often applied to politicians who are known to be in their final term of office, when colleagues and electors look toward a successor. It is also sometimes used to describe office-holders who have lost an election but have not yet left office. In recent years (as of 2006) both George W. Bush and Tony Blair, unable to see out further electoral victories, have been faced with such mutterings, for example: In May 2006, The Washington Post ran an article titled 'Bush's Political Capital Spent', including the opinion: "Such weakness has unleashed the first mutterings of those dreaded second-term words, 'lame duck'." In April 2006, The [London] Times ran an article titled: "Is Blair a 'lame-duck' Prime Minister?"
US presidents have long suffered this fate, partly due to the electoral rules in America, which limit the number of terms that a President may serve, and the USA is where the phrase originates when applied to politicians. The Congressional Globe entry for 14 January 1863 has: In no event could it be justly obnoxious to the charge of being a receptacle of 'lame ducks' or broken down politicians.

QUOTE BOX

Act like a duck. Be calm on the surface, but paddle like hell underneath.

—Oliver Luck

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
